

# Request to Amend Detention Time

Dear Principal of Saol Christian School,

Date: \_\_\_\_\_

Our child \_\_\_\_\_, has earned a detention of \_\_\_\_\_ minutes this week.

We understand that the school has set disciplinary procedures in place in accordance with those set out by A.C.E. and we fully support those disciplinary procedures, however we feel that this detention is excessive for our child because

We feel that a time of \_\_\_\_\_ minutes would be more appropriate and ask that the school would amend his detention.

We at Saol Christian School believe that parents reserve the right and responsibility for training their children which includes the area of discipline. Our school is a tool to help educate and train up children using the procedures that have been put in place by Accelerated Christian Education but, where a parent feels that the detention that has been issued at any particular time is excessive, we respect the parents right to appeal detention times.

I confirm that the detention time for this student has been amended to \_\_\_\_\_ minutes.
